For complete and most current policies, please visit [www.atsmfg.com](http://www.atsmfg.com) or contact our Customer Service team.

## Terms & Conditions

All sales are subject to **ATSMFG's** Terms & Conditions.

By submitting a purchase order to **ATSMFG**, the customer agrees to comply with and be bound by these terms.

**ATSMFG's** written Order Acknowledgment, generated from the customer's purchase order, constitutes the governing agreement for production, shipment, and invoicing. Customers are responsible for reviewing all **ATS** communications carefully.

## Ordering & Handling

Ordering Process: All purchase orders must be submitted in writing. Orders enter production once:

- Credit terms are approved
- Pricing and freight are confirmed
- All product specifications are complete

**ATSMFG** will issue a written Order Acknowledgment confirming product details, quantities, pricing, freight terms, and requested ship or pick-up dates. Customers must review the Order Acknowledgment promptly and report any discrepancies within 24 hours of receipt.

**Pricing, Quotes & Payment Terms:** All pricing is quoted in U.S. dollars and is subject to change without notice. Product and freight quotes are typically valid for 15 days, unless otherwise stated. Lead times are estimates based on current production schedules and material availability and may change if conditions evolve.

New accounts may require deposits or prepayment. Credit terms are available to approved accounts. Accounts with past-due balances may be placed on credit hold, which may delay production or shipment.

**Order Changes & Cancellations:** All order changes and cancellations must be submitted in writing and are subject to **ATS** approval. Approved changes may result in additional costs, including materials, labor, or restocking fees. Orders already in production or completed may not be eligible for cancellation.

## Shipping & Freight

Shipping Methods & Routing: **ATSMFG** ships within the continental United States. Shipping is arranged according to instructions provided on the purchase order:

- Customer's third-party carrier
- **ATSMFG**-arranged freight (freight quote provided for approval)
- Freight charges & delivery requirements must be confirmed prior to shipment

**Customer Pick-Up:** Customer-arranged pick-up is available by appointment. Pick-up vehicles must be appropriate for the size and weight of the order.

**ATSMFG** reserves the right to refuse release of merchandise if the vehicle is deemed unsafe or unsuitable. Pick-up delays may result in storage or handling fees.

**Delivery Inspection & Freight Claims:** Customers are responsible for inspecting shipments at the time of delivery. Visible damage must be noted on the delivery receipt before signing. Concealed damage must be reported promptly and original packaging retained. **ATSMFG** assumes responsibility for freight damage only on shipments arranged through **ATSMFG** freight accounts, subject to proper documentation and claim timelines. Freight claims must be submitted in writing using the **ATSMFG** Freight Claim Evaluation Form.

**Unforeseen Delays:** **ATSMFG** is not responsible for delays or inability to perform caused by events beyond our reasonable control, such as material shortages, transportation disruptions, labor interruptions, public health events, or government actions. If such circumstances arise, we will communicate promptly and work in good faith with our customers to adjust

Claims must be reported within the timeframe specified in the applicable warranty. Upon review, **ATSMFG** will advise on repair, replacement, or other resolution if the claim is approved.
