# ATSMFG Policies & Terms

This section provides a high-level overview of ATSMFG's terms, ordering process, shipping practices, and warranty coverage. It is designed to help dealers and partners understand how we work together. For complete and most current policies, please visit [www.atsmfg.com](http://www.atsmfg.com) or contact our Customer Service team.

## Terms & Conditions

All sales are subject to ATSMFG's Terms & Conditions.

By submitting a purchase order to ATSMFG, the customer agrees to comply with and be bound by these terms.

ATSMFG's written Order Acknowledgment, generated from the customer's purchase order, constitutes the governing agreement for production, shipment, and invoicing. Customers are responsible for reviewing all ATS communications carefully.

## Ordering & Handling

Ordering Process: All purchase orders must be submitted in writing. Orders enter production once:

- Credit terms are approved
- Pricing and freight are confirmed
- All product specifications are complete

ATSMFG will issue a written Order Acknowledgment confirming product details, quantities, pricing, freight terms, and requested ship or pick-up dates. Customers must review the Order Acknowledgment promptly and report any discrepancies within 24 hours of receipt.

**Pricing, Quotes & Payment Terms:** All pricing is quoted in U.S. dollars and is subject to change without notice. Product and freight quotes are typically valid for 15 days, unless otherwise stated. Lead times are estimates based on current production schedules and material availability and may change if conditions evolve.

New accounts may require deposits or prepayment. Credit terms are available to approved accounts. Accounts with past-due balances may be placed on credit hold, which may delay production or shipment.

**Order Changes & Cancellations:** All order changes and cancellations must be submitted in writing and are subject to ATS approval. Approved changes may result in additional costs, including materials, labor, or restocking fees. Orders already in production or completed may not be eligible for cancellation.

## Shipping & Freight

Shipping Methods & Routing: ATSMFG ships within the continental United States. Shipping is arranged according to instructions provided on the purchase order:

- Customer's third-party carrier
- ATSMFG-arranged freight (freight quote provided for approval)
- Freight charges & delivery requirements must be confirmed prior to shipment

**Customer Pick-Up:** Customer-arranged pick-up is available by appointment. Pick-up vehicles must be appropriate for the size and weight of the order.

ATSMFG reserves the right to refuse release of merchandise if the vehicle is deemed unsafe or unsuitable. Pick-up delays may result in storage or handling fees.

**Delivery Inspection & Freight Claims:** Customers are responsible for inspecting shipments at the time of delivery. Visible damage must be noted on the delivery receipt before signing. Concealed damage must be reported promptly and original packaging retained. ATSMFG assumes responsibility for freight damage only on shipments arranged through ATSMFG freight accounts, subject to proper documentation and claim timelines. Freight claims must be submitted in writing using the ATSMFG Freight Claim Evaluation Form.

**Unforeseen Delays:** ATSMFG is not responsible for delays or inability to perform caused by events beyond our reasonable control, such as material shortages, transportation disruptions, labor interruptions, public health events, or government actions. If such circumstances arise, we will communicate promptly and work in good faith with our customers to adjust

## Warranty & Returns

ATSMFG provides limited warranties across our product categories to cover qualifying manufacturer defects in materials and workmanship. Warranty coverage varies by product type and is subject to the terms outlined in the applicable warranty documentation.

- Furniture: We warrant qualifying furniture products against manufacturer defects in materials and workmanship for one (1) year from the original date of purchase.
- Equipment: MET and FLO products are covered under a one (1) year limited warranty against defects in materials or workmanship under normal use. LIT equipment is covered under a one (1) year limited warranty and serviced by Consumer Priority Service (CPS).

**What Is Not Covered:** Normal wear and tear; Improper use, installation, or maintenance; Products sold as custom, closeout, as-is, or used; Natural material variations, including wood grain, color variation, or minor warping

**Warranty Claims Process & Timing:** Warranty claims must be submitted in writing using the ATSMFG Warranty Evaluation Form. Claims must be reported within the timeframe specified in the applicable warranty. Upon review, ATSMFG will advise on repair, replacement, or other resolution if the claim is approved.

Returns: Non-warranty returns require prior written authorization. Approved returns may be subject to restocking and handling fees and must be freight prepaid. Custom products are not eligible for return.

## Contacting ATSMFG

Everyone at ATSMFG is available on email via [FirstName@ATSMFG.com](mailto:FirstName@ATSMFG.com) or phone during business hours.

## WARRANTY INFO

## WARRANTY INFO

**LIMITED WARRANTY:** ATSMFG warrants all MET Stainless Steel & FLO Faucet products, when properly installed and subject to normal use, are free from defects in material or workmanship for a period up to one (1) year.

With regard to these equipment, a defect shall refer to a variance from the design specifications that prohibit the Equipment from operating for its intended use. The Warranty provided by ATSMFG does not impose any duty or liability upon ATSMFG for degradation that occurs in the normal course over time, or due to improper installation of the Equipment by Purchaser or their representative.

**CORROSION and RUST WARRANTY on MET Green Epoxy Green Shelves:** MET Green Epoxy Wire Shelvings, Shelving Units, and Wall Brackets also carries a warranty against corrosion and rust formation following Ten (10) Years from Product Ship Date.

Determination of repair or replacement will be at the sole discretion of ATSMFG.

### EXCLUSION FROM WARRANTY COVERAGE:

- A. Any damage occurring, at any time, during shipping of Equipment unless otherwise provided for in the Agreement. When returning Equipment to ATSMFG for repair or replacement, Purchaser assumes all risk of loss or damage, and agrees to use any shipping containers that might be provided by ATSMFG and to ship the Equipment in the manner prescribed by ATSMFG;
- B. Any damage caused by improper installation and/or use, overloading, accident, improper storage, or neglect, alterations, modifications, or additions;
- C. Any statement made about the product by salesman, dealers, distributors or agents, unless such statements are in a written document signed by an officer of ATSMFG. Such statements are not included in a signed writing do not constitute warranties, shall not be relied upon by Purchaser and are not part of the contract of sale.

**PURCHASER'S INSPECTION UPON RECEIPT OF EQUIPMENT:** All Equipment shall be carefully inspected by Purchaser upon receipt, be installed by persons who are trained and certified professionals with respect to such installation, and be installed, used, repaired and maintained by Purchaser in accordance with all applicable local laws, codes and regulations.

**ASSIGNMENT OF RIGHTS:** The Warranty contained herein extends only to the original Purchaser of the Equipment and no attempt to extend the Warranty to any subsequent user or transferee of the Equipment shall be valid or enforceable without the express written consent of ATSMFG. Any attempt by Purchaser to assign this Warranty shall render the Warranty.

Effective May 2026

1750 Stone Ridge Drive, Stone Mountain, Georgia | [Sales@ATSMFG.com](mailto:Sales@ATSMFG.com) | 770-270-1688

**LIMITED WARRANTY:** ATSMFG guarantees that its cooking equipment is free from defects in materials and workmanship under normal use for one (1) year from the original purchase date. During this period, Consumer Priority Service (CPS) will provide repair or replacement service for qualifying issues at no additional cost to the customer.

**What is Covered?:**

- A. Manufacturer defects in materials and workmanship
- B. Mechanical or electrical failure due to normal usage
- C. Replacement parts and labor for covered repairs
- D. On-site service or depot repair as determined by CPS

**What is NOT Covered?:**

- A. Damage caused by misuse, neglect, or improper installation
- B. Cosmetic damage (scratches, dents, or discoloration)
- C. Normal wear and tear
- D. Unauthorized repairs or modifications
- E. Damage caused by natural disasters or power surges

**How to Register Your Warranty:**

By Phone: Call 1-800-905-0443

Online: Visit [www.cpscentral.com](http://www.cpscentral.com) and click 'Register Your Plan'

**How to File a Warranty Claim:**

By Phone: Call 1-800-905-0443

Online: [www.cpscentral.com/how-to-file-a-claim/](http://www.cpscentral.com/how-to-file-a-claim/)

Have the following information ready: Warranty ID Number, Valid Proof of Purchase, Product Make, Model, and Serial Number

**PURCHASER'S INSPECTION UPON RECEIPT OF EQUIPMENT:** All Equipment shall be carefully inspected by Purchaser upon receipt, be installed by persons who are trained and certified professionals with respect to such installation, and be installed, used, repaired and maintained by Purchaser in accordance with all applicable local laws, codes and regulations.

**Additional Terms & Conditions:** This warranty is non-transferable and applies only to the original purchaser. ATSMFG and CPS are not responsible for incidental or consequential damages, and the warranty service is available only in the United States.

# ATSMFG **Front-of-House to Back-of-House. Exceptional Value, Reliable quality.**

For more than 30 years, **ATSMFG** has served the restaurant equipment industry with reliable quality, responsive service, and competitive pricing. What began as American Tables & Seating has grown into a complete restaurant project solutions partner. Sold via restaurant equipment dealers, foodservice providers, designers, and architects nationwide.

Through our family of brands, we design, manufacture, and source commercial furniture, equipment, tabletop, and supplies. Our solutions are designed to scale from single unit to multi-location roll-outs.

## **American Tables & Seating**

Complete seating and furniture solutions, from design to delivery. EZ, QuickShip, Built-to-Order, and Custom programs cover the full range of needs with commercial-grade seating, tables, and accessories engineered for comfort, and long-term performance in high-traffic environments.

## **Stone Mountain Tabletop**

A broad selection of dinnerware, drinkware, flatware, and serving pieces designed to elevate presentation and withstand the pace of daily service, all ideal for operators who need style, consistency, and replenishment.

## **MET Stainless**

Commercial stainless-steel equipment and powder-coated shelving built for demanding kitchens. Competitively priced and ready to ship. MET helps improve organization, workflow, and long-term reliability with practical, job-tested essentials.

## **FLO Commercial Faucets**

Heavy-duty commercial kitchen faucet and Pre-rinse solutions built for everyday durability. FLO Faucets support efficient dish and prep operations with dependable performance.

## **LIT Equipment**

Back-of-house equipment including warmers, proofers, and cabinets. LIT is designed to support efficient, high-volume kitchen operations where reliability and consistency matter.

## **Mama Lucy Restaurant Supplies**

Trusted supplies for decades, selected and approved by Mama Lucy. Everyday front-of-house and back-of-house essentials that keep operations running smoothly, shift after shift.

## **Z-Source Global Procurement & Logistics**

Our newest brand under the **ATSMFG** umbrella. Z-Source is built on more than 30 years as the behind-the-scenes backbone of **ATSMFG**.

Today, the expertise and convenience is available to all dealers! Z-Source provides white-glove, cost-effective, mixed-container procurement and logistics. Available from the smallest to the largest need for single and multi-location hospitality needs across the U.S.
